Letter Camp No. 70, dated the 4th November 1898 from the Conservator of Forests in Mysore

S&T 4-97

The Government in Proceedings No. 8369-404 P&A. 39-93* dated the 20th January 1898, sanctioned certain revised rates of Travelling allowances to Provincial and other Officers and extended to all Departments the concession enjoyed by the P. W. D. under Article 605 (a) & (b) of the Mysore Service

* Printed copy put up.

Service Regulations viz:

(1) all Superior Officers to draw an additional 50 per cent daily allowance and

(2) all other Officers and Officials including the menial Servants double the daily allowance, while travelling in the Malnad

The Deputy Commissioner, Mysore District, in his No: 1109, dated the 22nd March 1898, solicited instructions as to whether the additional allowances claimable under clauses (1) and (2) mentioned above for travelling in the Malnad are admissible in the case of Semi-Malnad Taluks

Such

Such as Heggaddevankote and Hunsur (the Amildars and Establishments whereof are paid Semi-malnad allowances) and if so, whether the Officers and officials etc can draw the same at half the rates allowed for Malnad tracts.

Whereupon, the Examiner, Public Works and Railway Accounts, was asked to report * whether the benefit of the Article 605 (a) and (b) of the Mysore Service Regulations is being enjoyed wholly or in part by the Officers and officials of the D.P.W, travelling in Semi

* in this Office No. 12784/P&A 1032 } 9 6-4-98.

Sens. Malnad Taluks
such as Hunsur and
Heggaddevankote.

In reply, the Examiner,
P.W and Railway Accounts,
stated that, besides the
Malnad tracts already
specified in article 602
of the Mysore Service Regulations,
concessions were extended to
Heggaddevankote, Bandipur
and Punjur in the Mysore
District and that the Govern-
ment in the D.P.W had
ruled that the D.P.W. con-
cession which was extended
to all other Departments
of the State, was only ad-
missible in the case of
Officers living in the Taluks

of

of Heggaddevankote and Hunsur and not to those visiting them temporarily on duty. The same ruling being applicable to other Departments, the Deputy Commissioner, Mysore District, was informed accordingly in reply to his letter above cited (Vide Proceedings No. 14956-91, dated the 16th May 1898 P.C.A. 1217 (Copy put up).

Adverting to the above mentioned Proceedings (No. 14956-91 P.C.A. 1217 of the 16th May 1898), the Conservator of Forests in Mysore points out the anomalous condition under which

which the Controlling and Inspecting Officers of his Department are placed and suggests the desirability of extending the ~~concession~~ concession to himself and to other Inspecting Officers while travelling in Malnad or Semi-Malnad Talukas.

A Draft order modifying the Proceedings of 16th May 1898, No. 14956-91 P.D. 1217, and directing that the concession granted in para 3 of Government Proceedings No. 8369-404 P.D. 39-93, dated the 20th January 1898, be held applicable both to Officers living in Semi-Malnad Talukas

Such

such as Heggadévc Mote and Hunsur, and to those travelling in them, is submitted for approval.

As regards Malnad Talukas there is no difficulty as under Pro: No. 8309–404 / P & A 39–93 d: 20th Jany 1898 all officers travelling in the Malnad are entitled to draw 50 per cent more when travelling in the Malnad.

In semi-Malnad Talukas such as Hegaddevankote, the D.P.W. Rule that such an additional allowance can be drawn only by Officers living in such tracts has caused the anomaly referred to by the Conservator — [illegible] 22/11/98

In the former the Forest Range Officer, (Mr. Theobald) whose Head Quarters is Nilgiris draws Rs 4 1/2 per diem as Pte Assistant Conservator and in the latter (Mr. Rama Rao whose Head Quarters is Neggadadevan Kote) Rs 4 per diem as an Assistant Conservator whilst the District Forest Officer (Mr. Narayana Rao) draws only Rs 5 per diem as a Deputy Conservator. It appears to me anomalous that a Range Officer should draw more travelling allowance than his superior Officer, and whilst I consider the increased rates are fully justified in the case of the former, I would suggest their being granted to the latter also and to myself and other Inspecting Officers when travelling in Malnad or semi-Malnad Taluks.
